We will use Board committees only to help us accomplish our job.

1. Committees will reinforce and support Board holism.
  - a. In particular, committees help the whole Board move forward when they research alternatives and bring back options and information.
2. Board committees may not speak or act for the Board except when formally given such authority for specific and time-limited purposes.
3. The Board will establish, regularly review and control committee responsibilities in written committee charters.
  - a. We will carefully state committee expectations and authority to make sure they do not conflict with authority delegated to the GM.
