

A (ENDS) POLICY

Mission

Silver City Food Cooperative strives to provide healthy food and products. We support local and organic growers and vendors in a just, responsible and sustainable manner.

Vision

To promote the inherently healthy relationship between food, community and nature.

Ends

Silver City Food Co-op exists so that our community has:

- Access to healthy, high-quality food - especially local, organic and minimally processed
- A financially sustainable store, while returning value to members
- A welcoming culture that reflects our community - valuing diversity, equity, inclusiveness, and respect
- Informed, engaged and empowered shoppers
- A store that provides excellent customer service by fostering a healthy workplace for employees
- A business that reduces our impact on the planet
